ABOUT US

From the orchards of Uzbekistan to your business

Samarkand Foods brings dried fruit, nuts and pulses from Uzbekistan to UK trade buyers. Our partner growers and packers handle harvesting, drying, calibration, cleaning, packing and warehousing at origin, and every product is calibrated to the size grades shown in this catalogue.

Ildizdan mevagacha From root to fruit. What the earth gives, we pass on whole.

HARVESTING · DRYING · CALIBRATION · CLEANING · PACKAGING · WAREHOUSING
